AMOUNT DUE THE COMMONWEALTH OF MASSACHUSETTS. ON ACCOUNT OF STATE HIGHWAYS.

Three Assessments,	1914,	$12,335.94	
Four Assessments,	1915,	11,580.82

			$74,653.37

During the past year the sum of four hundred and three thousand dollars was raised by direct taxation and it is estimated that the sum of four hundred and thirty five thousand dollars will be necessary for the ensuing year. This increase is largely due to the increased demands of the Agricultural School, the trustees having asked for an allowance of twenty five thousand dollars instead of twenty thousand, the amount they had last year; to the increased amount required to pay debt coming due, it being fourteen thousand dollars more than last year; and to the estimated amount required for maintenance of the Tuberculosis Hospital, after completion, for the balance of the year. the estimate being fifteen thousand dollars. The estimates for the past year proved to be insufficient in the following departments, viz: Expenses of District Courts; Repairing and Furnishing County Buildings; Care, fuel and lights of County Buildings and Union Training School.

The following is a summary of the receipts and expenditures of the County during the year.
